Omake no Revolver

Hinata's First Time with Underwear

No... No way!?
How is it necessary that I wear a bra?
Didn't you start dressing like a girl to escape bullying?
Moreover...
You don't look like a man, do you?
Oh?
Didn't you say you wanted to dress like a girl?
But I'm a man!
At any rate, please let me do a trial run
I have a feeling Onee-san and Katou-kun will find a way to convince me even if I say no

Just as I thought, Hinata!
You look so cute! It suits you well!
I can't see you as anything but a girl!
Um...
I wish it didn't have to be this big in the chest part
Hinata...
You can't become manly without understanding something like that
SHOCK!
Please do more research on how to be manly!

I knew it, I have an uncomfortable feeling in my shoulders and chest.
snug
snug
I... even properly wearing a bra...
I really came dressed as girl
Besides
It's difficult to walk with these breasts in the way
glance
glance
swish
swish
Men will always stare at breasts!
Please experience this feeling as a girl!

shake
shake
shake
Ah...
They're staring intently at my chest!
thump
My chest...
thump
thump
Uh... Um, Onii-chan?
What is this!?
1-2
Staare!
I'm... going crazy!
Why?
I even did the manly thing to do!
